

## **MEMO**

**To:** NCRA Board of Directors  
**From:** Executive Director Mitch Stogner  
**Date:** April 8, 2009  
**Subject:** **Agenda Item E. 1 Construction Update**

All state funds for NCRA's Lombard-Windsor Project, Emergency Repairs Project, and Fish & Game Levee Repair and Habitat Restoration Project have been allocated to the NCRA and placed under contract.

These state funds, made available by the California Transportation Commission (CTC) and state Department of Fish & Game, have been expended on environmental clearance, preliminary engineering, final design engineering, project management, and construction in support of the following contracts:
